HOME GROWTH GROUPS

STARTING THE WEEK OF AUG 16TH - We are changing it up a little bit this fall. Grab several members of our church family, connect, and grow together in a Small Group Bible Study in each other's homes. The group traveling to Maine are encouraged to be in the same group study so they can "take it on the road with them." One of the Bible study options is "Following Jesus" by Douglas Connelly. *"3 Studies explore what it means to follow Jesus after making that original decision to trust Him as Savior and Lord. We launch out on an exciting journey of spiritual growth and maturity with the help of the Holy Spirit who gives the energy and desire to press on even when the journey leads us to hard places."*

WORDS OF WISDOM

God grades on the cross, not the curve.
Don't give God instructions - just report for duty.
The task ahead of us is never as great as the Power behind us.
The Will of God never takes you to where the Grace of God will not protect you.
We don't change the message; the message changes us.
The best math equation ever is 1 cross + 3 nails = 4 given
